

# Lamson Storage Bins

Made in Australia

- ◆ Made from high density virgin grade polypropylene, this extensive range of semi open front small parts storage bins are at the heart of the Lamson Storage System
- ◆ They are extremely strong, have no sharp corners, rust and UV resistant
- ◆ They are easy to clean (will withstand normal sterilising methods) and are impervious to most industrial oils and acids
- ◆ The four bright colours simplify warehouse coding, sorting and identification
- ◆ With dividers, front retainers, dust covers and labels Lamson bins are the bins to organise your workspace

Est 1898

Produced Specifically for Healthcare Applications

## Bins

- ◆ 6 sizes to suit most applications
- ◆ Four bright colours to assist stock control
- ◆ Semi-open front for easy picking and visual stock control
- ◆ Only virgin high grade material used
- ◆ Lightweight with great strength and durability
- ◆ Hygienic and easy to keep clean
- ◆ Grip handles for easy pickup
- ◆ Stackable, saving floor space
- ◆ Large locating rim for stacking
- ◆ Extra strength around front for safe stacking of heavy loads

### Bin Measurements

Size	2	3ZD	3Z	4	5	6
Depth mm	500	350	350	230	165	95
Width mm	310	465	210	150	100	100
Height mm	200	150	150	125	80	55

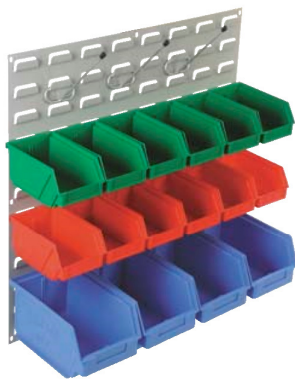

## Louvred Panels

Louvred panels are an easy way to utilise your wall space, and used in conjunction with Lamson bins make storage of an endless variety of parts effortless. Simply fix the louvred panel to a wall or fixed surface, then Lamson bins attach to the panel via the strong lip on the back of the bins.

### ABS

Made of tough ABS plastic, this versatile panel can be slotted together to make any size you wish. Comes in one size, 300 x 300mm.

### Steel

Steel Louvred Panels are made from 1.6mm thick powder coated mild steel and can be arranged to suit your requirements.

### Louvred Panel Measurements

Panel	LP1	LP2	LP3	LP4	LP5
Width mm	450	455	455	455	300
Height mm	900	455	610	914	300
